Your contract with the Louisiana Radio Network outlines in detail the times that each LN commercial is to be run. The only announcements the FCC or LN are concerned with are the commercials listed. If all LN commercials ran as itemized on this log, or as detailed in your contract, check here [ ]. If there were discrepancies, check here [ ] and explain below reasons for discrepancies: (a) satellite/line failure; (b) station off the air; (c) special programming; (d) scheduling error; (e) local public service program; (f) other - please explain.

| Discrepancy Program | Makegood Scheduled (Date & Time) | Reason For the Discrepancy |

This becomes an official document. The FCC has stated that any misrepresentations a station causes a network to make is considered the same as fraudulent billing. As an representative of the licensee, I attest the above information is correct.
